
Care, Not Capital

Modern Gardeners Training for Public Spaces
Habitat Creation and Maintenance Workshop
At Hilldrop Wildlife Garden in Essex

July 5th 2026

Run by horticultralist John Little and bee and wasp expert Benny Hawksbee and freelance ecologist Andy Phillips.

Photographing the day was a real eye-opener. The buzz of insects among so much colour was visually captivating.

HILLDROP - July 5th 2026
