

John Davis, Lankham Bottom - May '22

One of five volunteers who walk a transect (a set route) at Lankham Bottom NR north of Dorchester every week from the start of April to the end of September as part of the UK Butterfly Monitoring System which annually records data incorporating transects and time-counts on over 2,000 sites across the UK.

Dedicated to conservation in several ways John worked for **Butterfly Conservation** for twenty-four years, setting-up nature reserves and projects as well as wider conservation measures.
